*Answer choices are not designated in the Grade 03 test booklet as "A," "B," "C," or "D." Instead, students respond to test items by marking the answer ovals in the test booklet. In some cases, mathematics answer choices for a test item are arranged in two columns. In this answer key, "A" and "B" represent the answer choices in the first column, and "C" and "D" represent the answers in the second column.
